

# Pet Assure - Pet Discount Plan

## Detailed Program Description

We know your pets are part of the family!

That's why we've included Pet Assure, the nation's largest pet discount plan, in your member benefits.

With Pet Assure, you will save 25% on all in-house medical services provided by network veterinarians, including office visits, surgical procedures, x-rays, shots and dental care.

It's as simple as that: there are no forms to fill out, no waiting for reimbursements and no denials of coverage. All pets in your household are covered - even older pets or pets with pre-existing conditions.

## How it Works:

1. Present your membership card at any network veterinarian
2. Receive 25% off all veterinary medical services right at the time of service
